How to create audio recordings with Apple's Voice Memos app (iOS) and submit recordings to Google Classroom via Google Drive:

- ❖ Download the Google Drive and Google Classroom apps from the App Store (both are free)
- ❖ Guide students through the login process in both apps using their WSSD [username@wssdgmail.org](mailto:username@wssdgmail.org) and password

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

---

How to create audio recordings with Apple's Voice Memos app (iOS) and submit recordings to Google Classroom via Google Drive:

- ❖ Tap the red *record* button to begin a new recording.

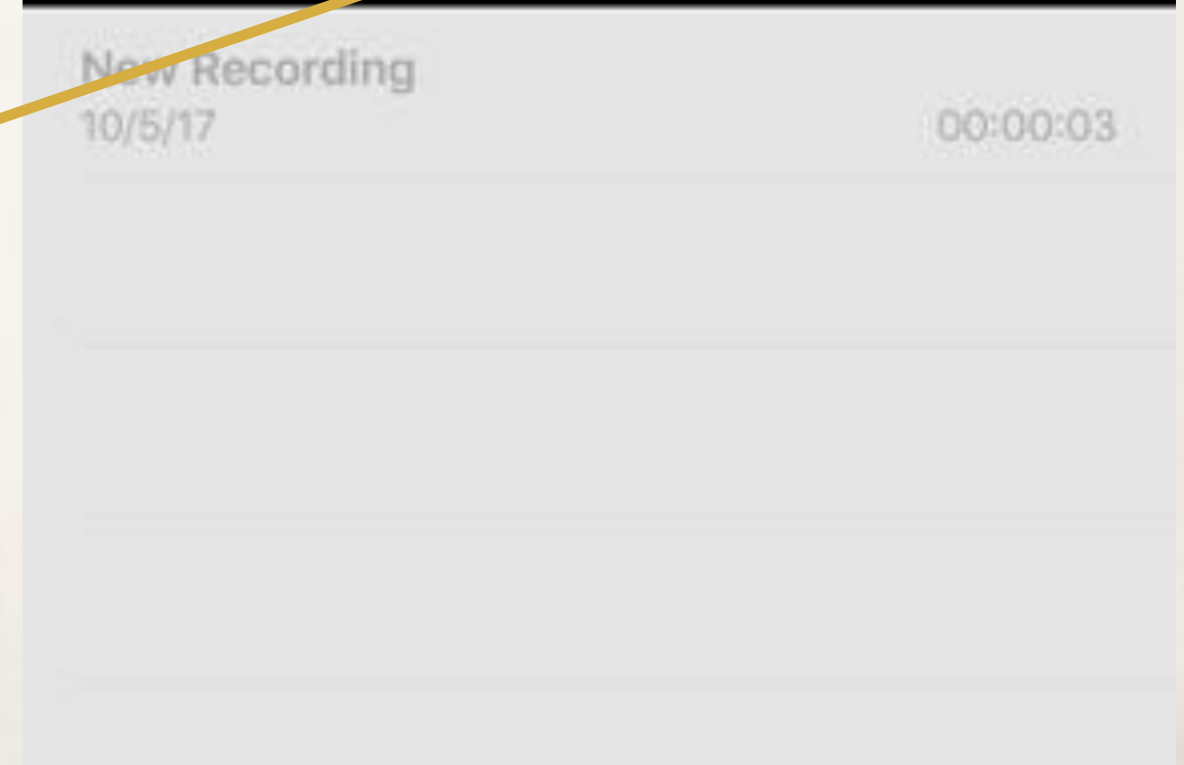

No recordings

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

How to create audio recordings with Apple's Voice Memos app (iOS) and submit recordings to Google Classroom via Google Drive:

- ❖ Tap *Done* to save your recording.

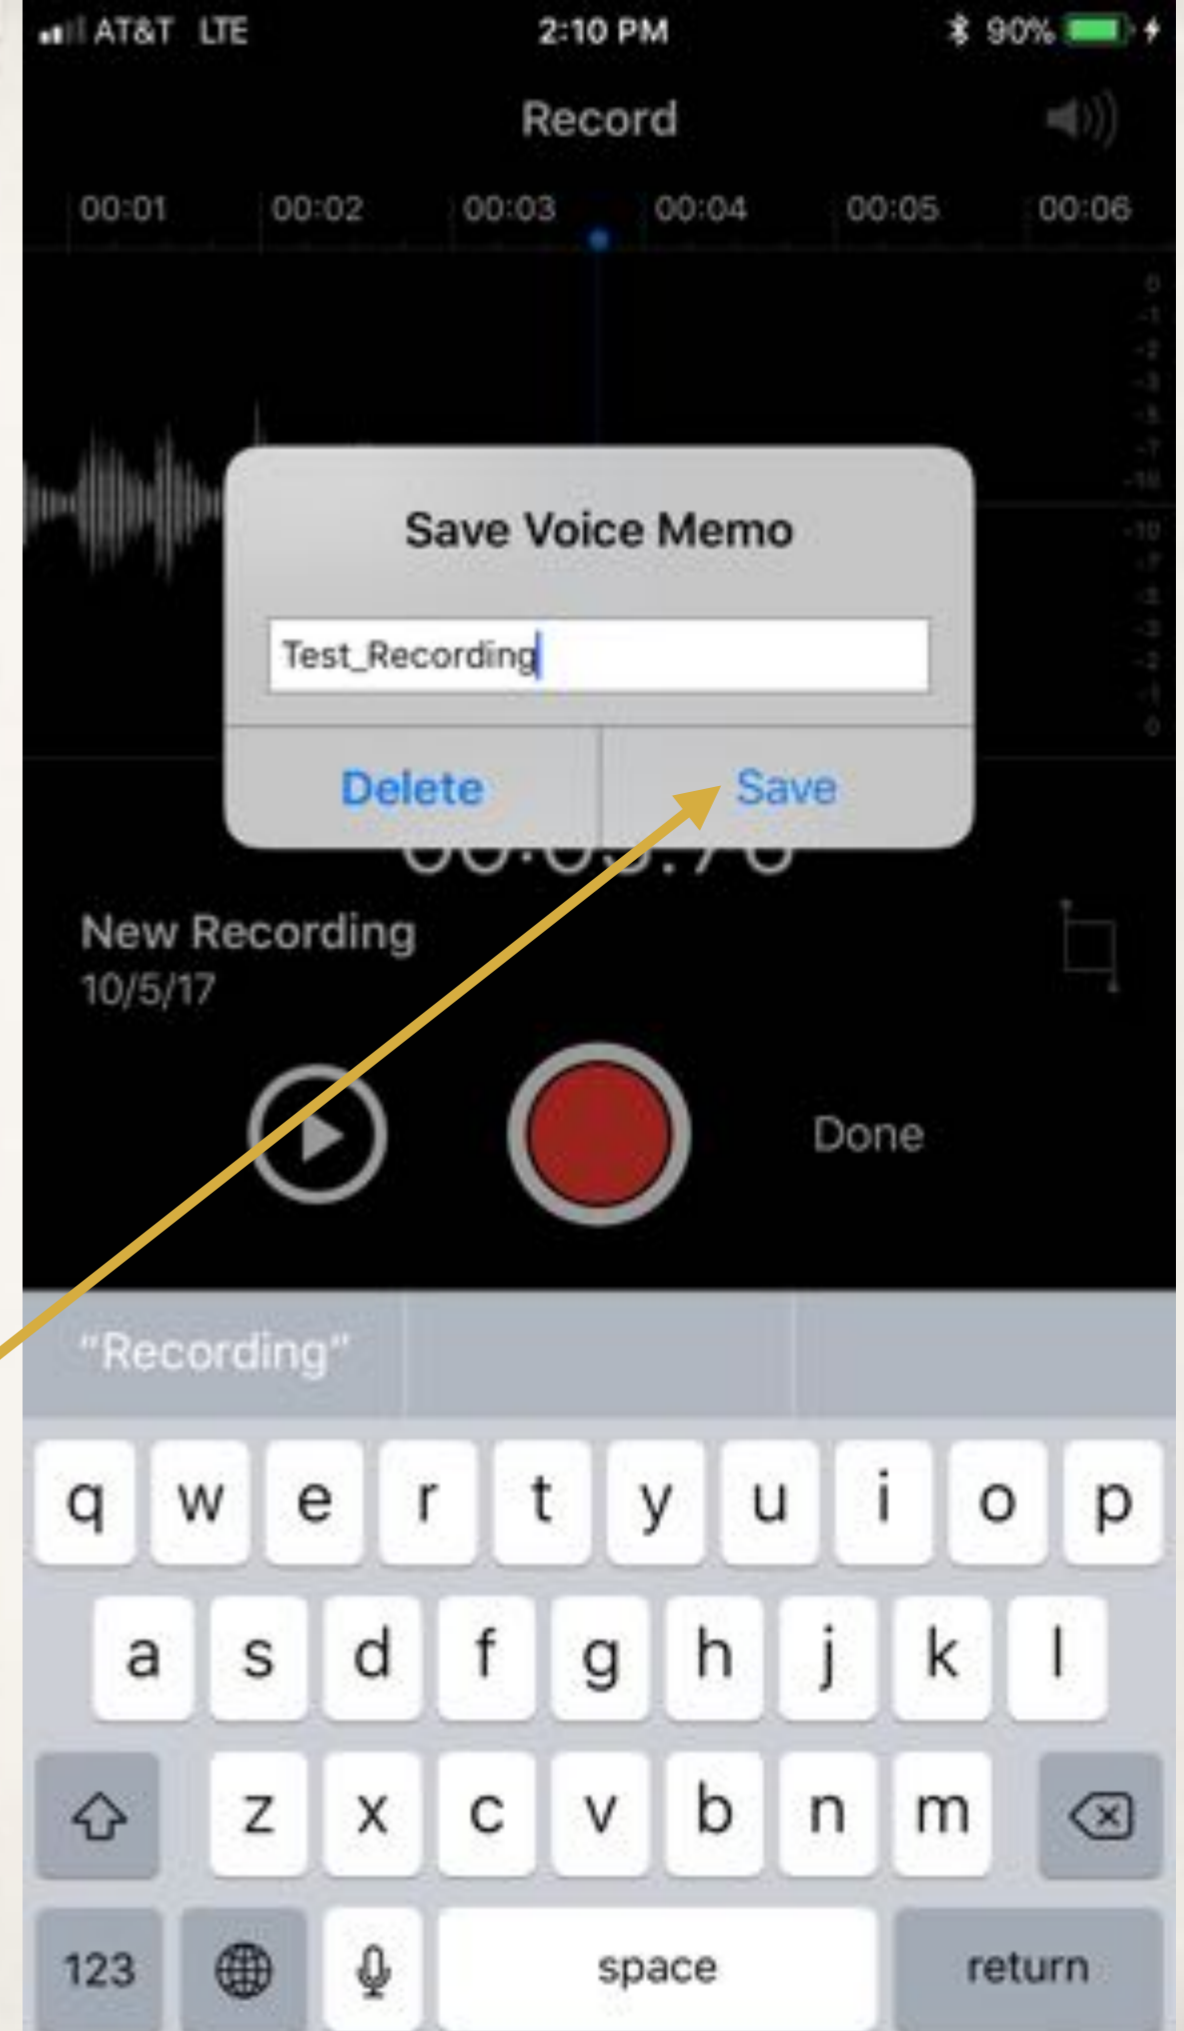

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

How to create audio recordings with Apple's Voice Memos app (iOS) and submit recordings to Google Classroom via Google Drive:

- ❖ Give your recording a name and tap *Save*.

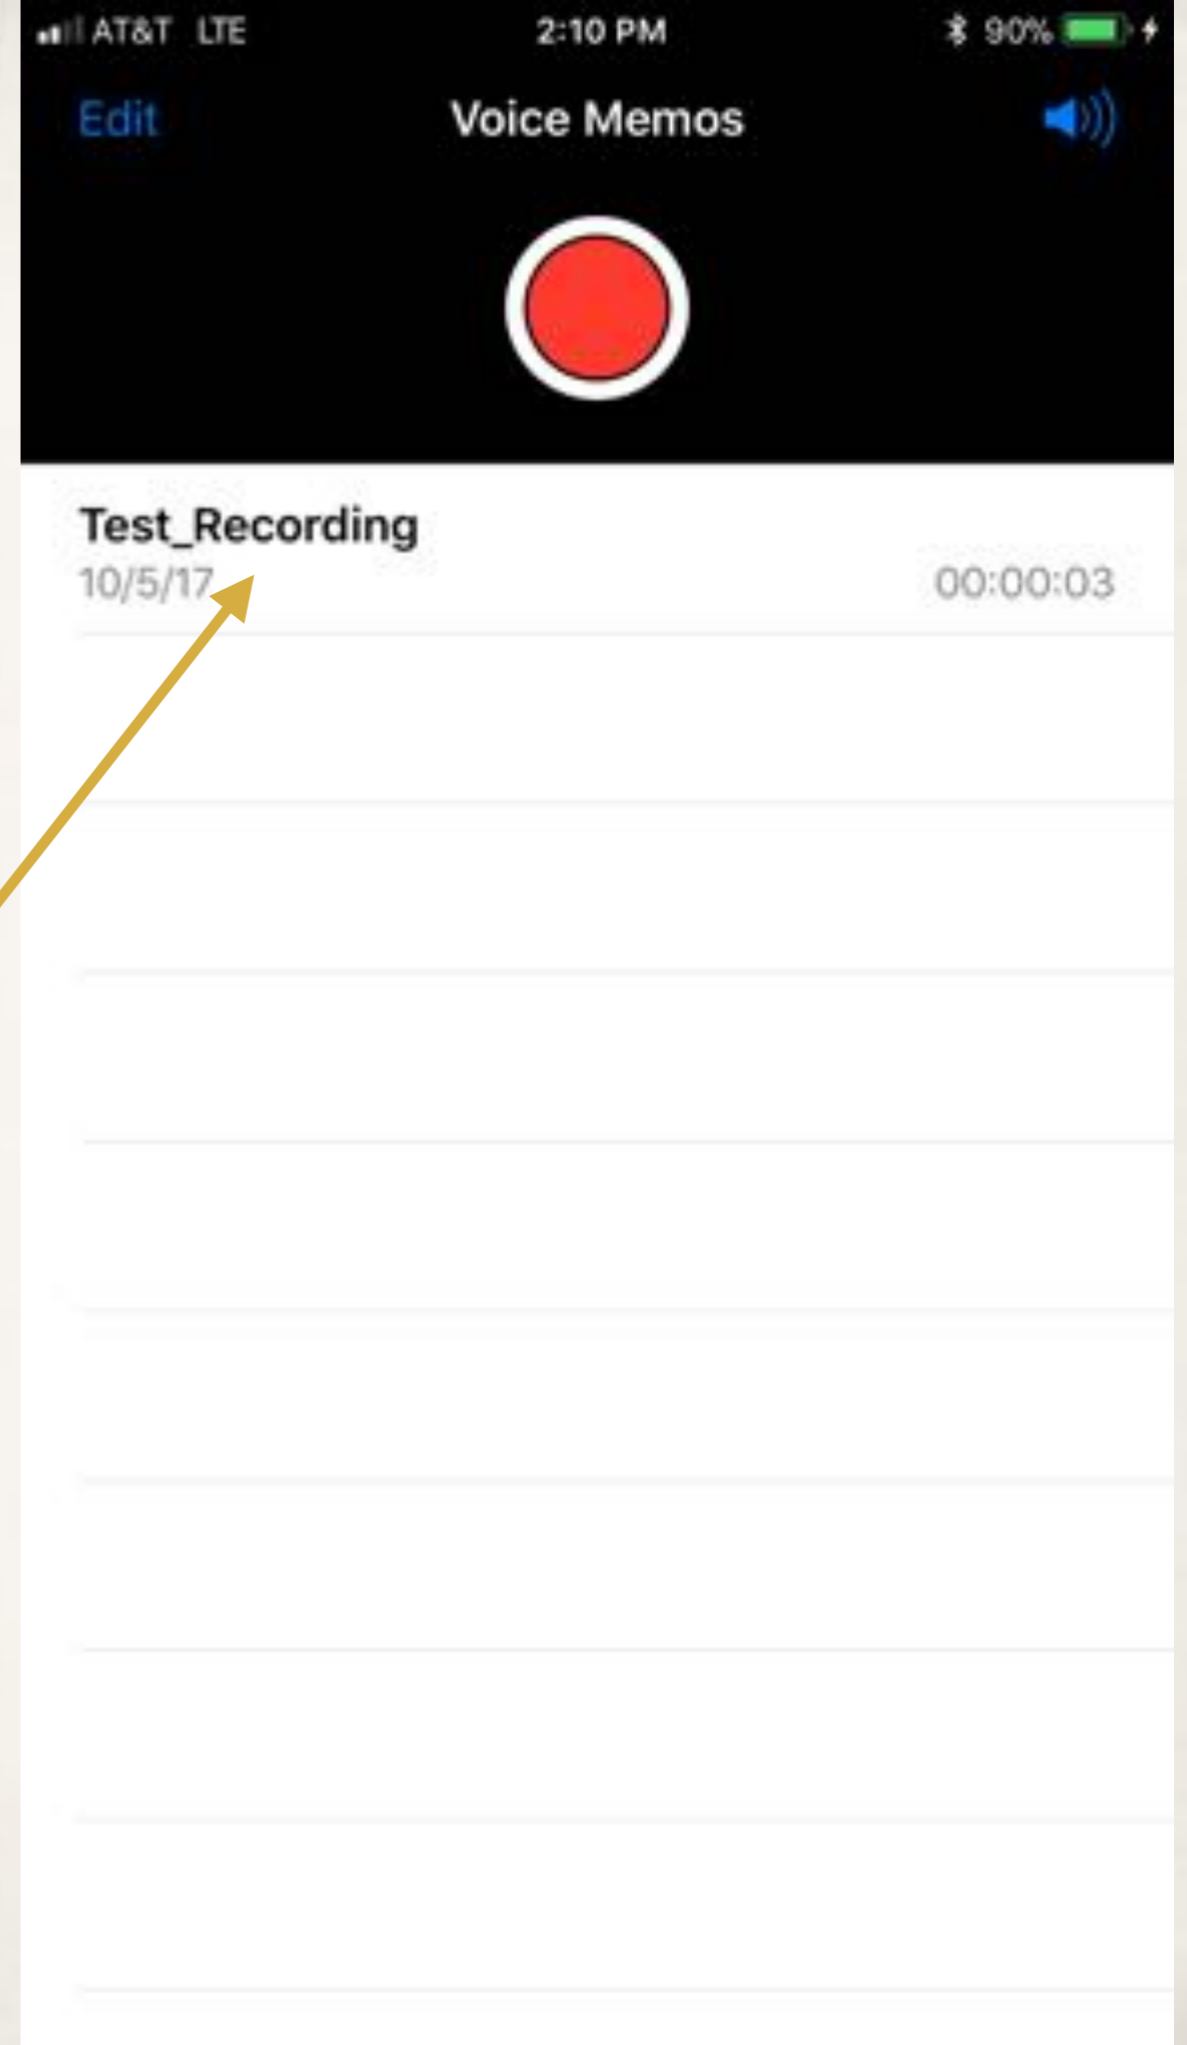

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

---

How to create audio recordings with Apple's Voice Memos app (iOS) and submit recordings to Google Classroom via Google Drive:

- ❖ Tap your recording.

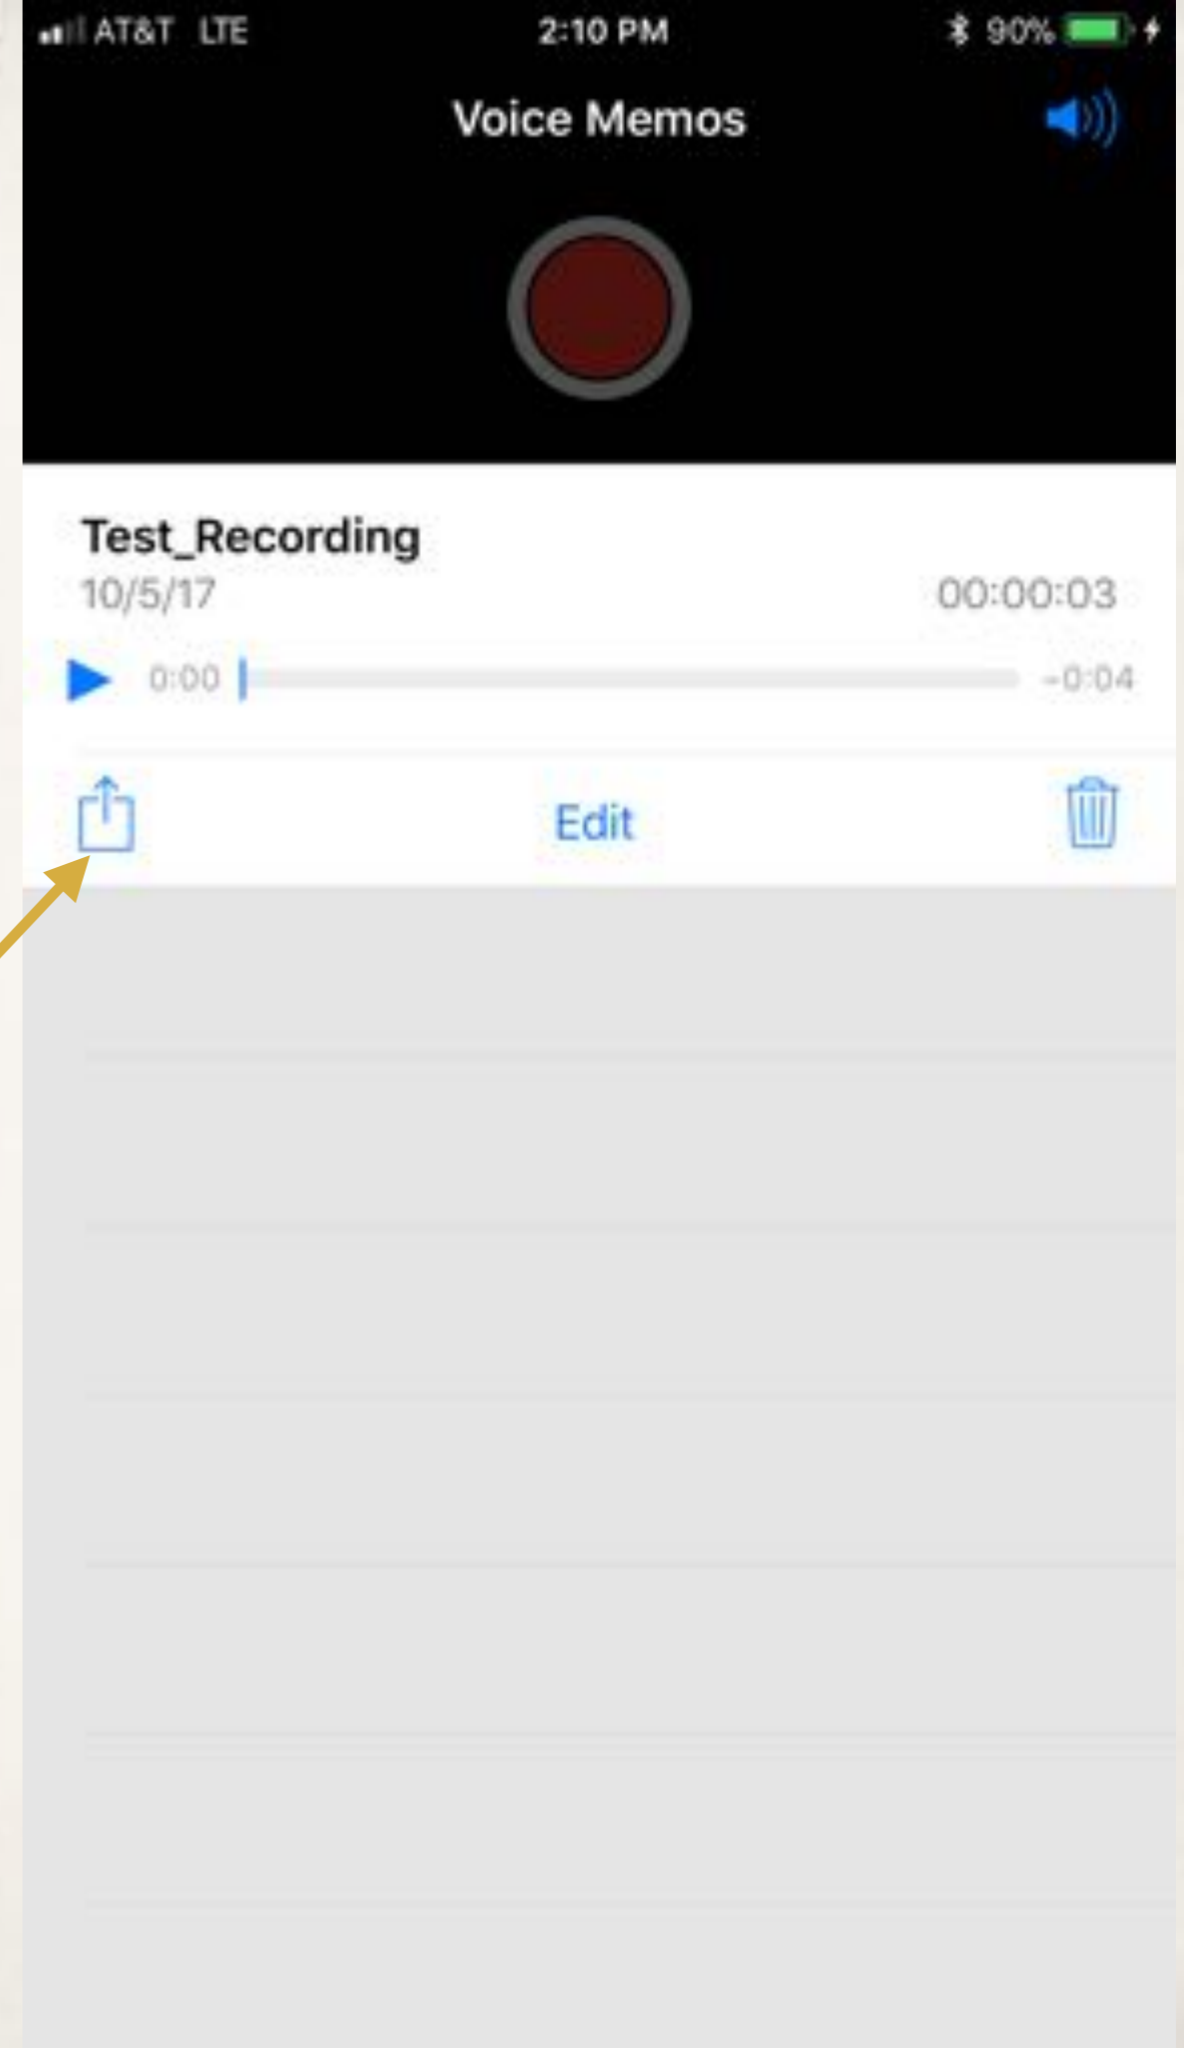

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

How to create audio recordings with Apple's Voice Memos app (iOS) and submit recordings to Google Classroom via Google Drive:

- ❖ Tap the *share* icon.

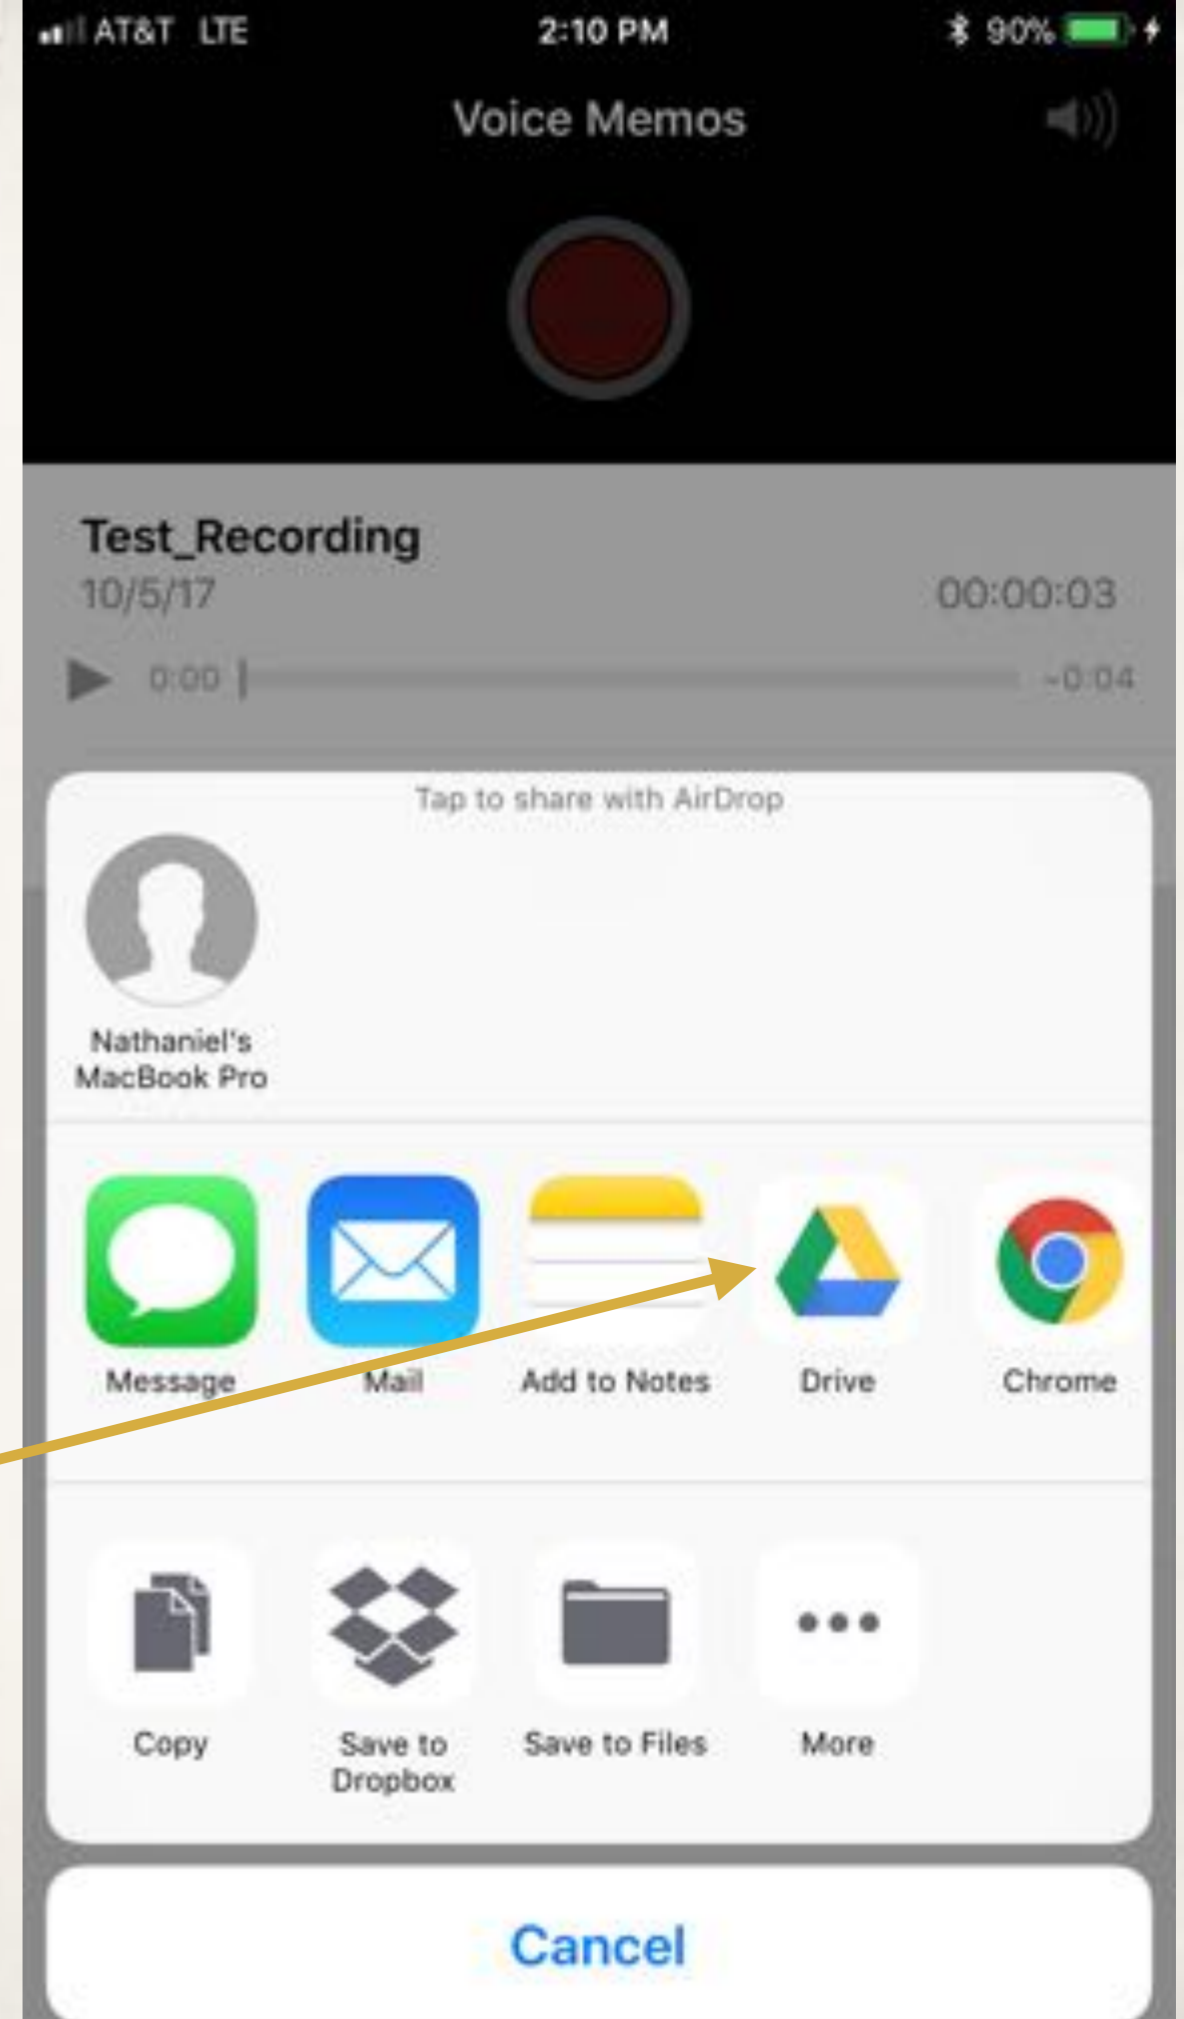

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

How to create audio recordings with Apple's Voice Memos app (iOS) and submit recordings to Google Classroom via Google Drive:

❖ Tap the *Drive* icon.

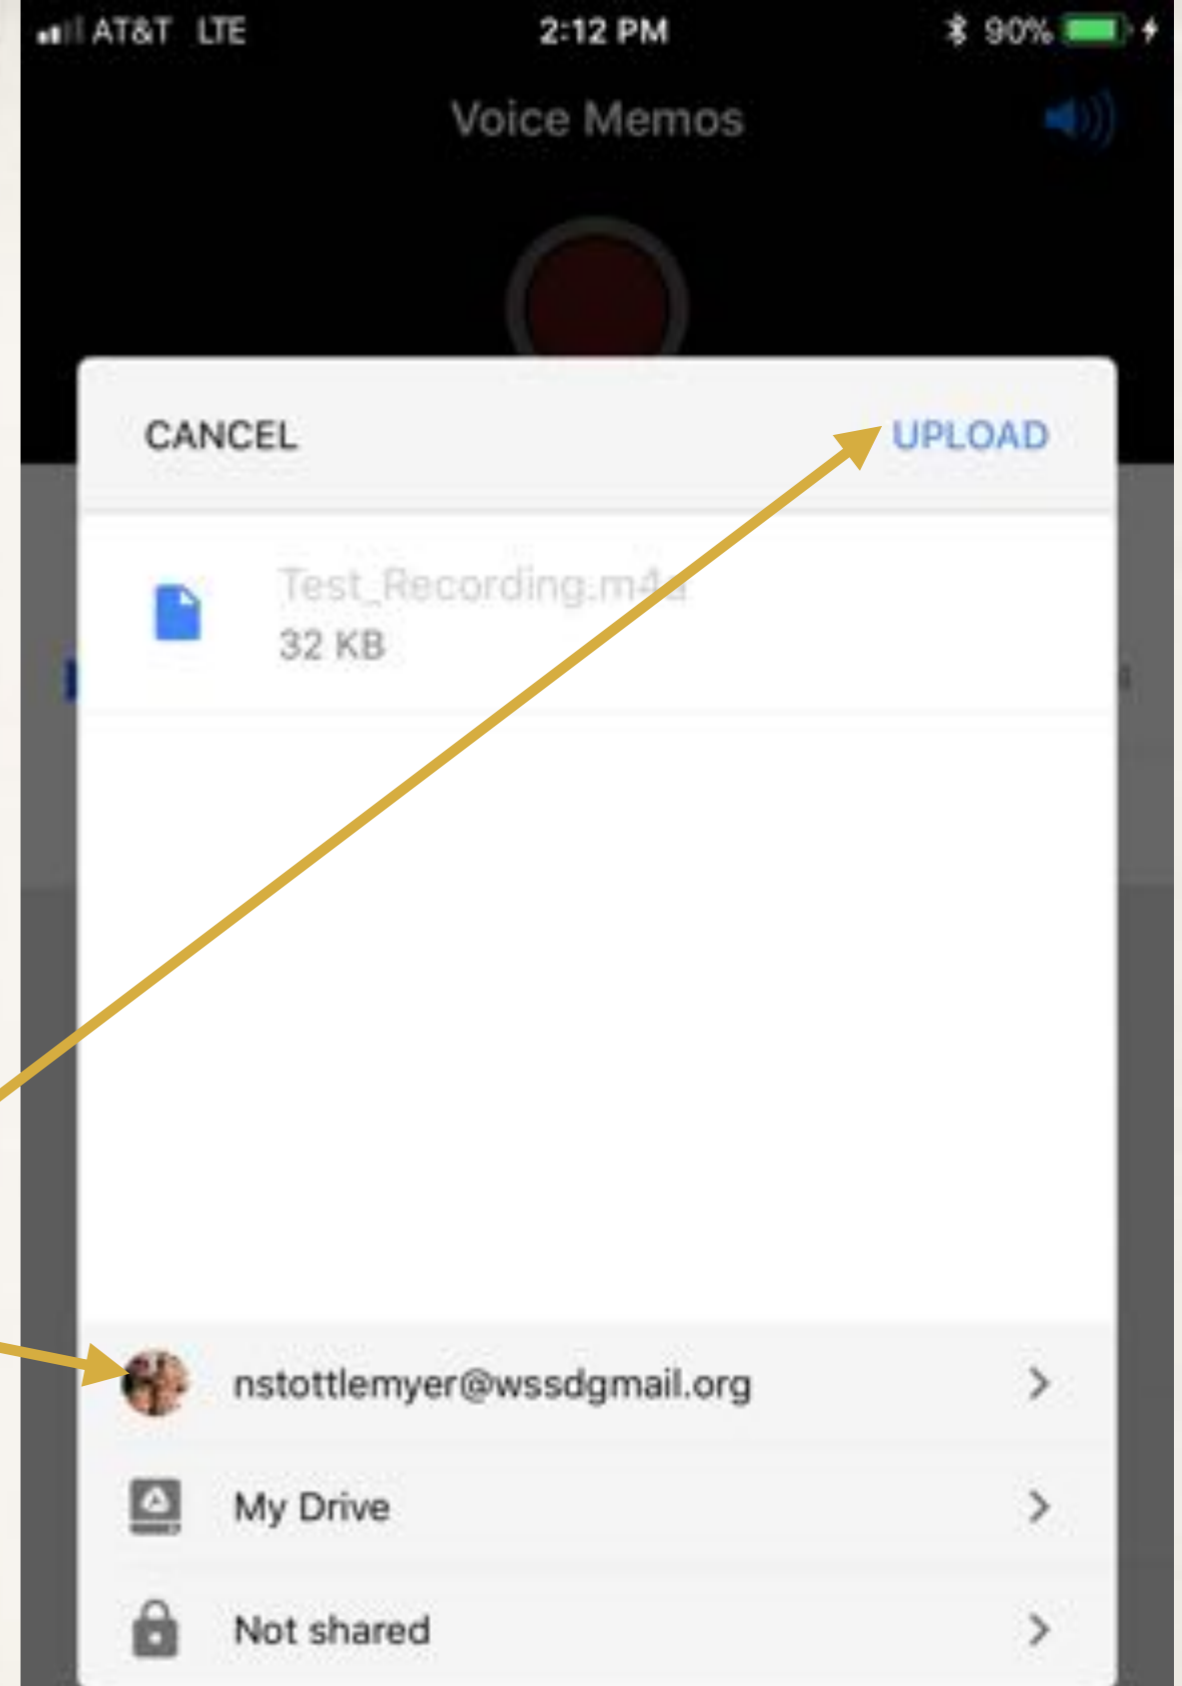

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

How to create audio recordings with Apple's Voice Memos app (iOS) and submit recordings to Google Classroom via Google Drive:

- ❖ Confirm the correct account is selected and tap *Upload*.
- ❖ The student can now "ADD" the recording to the assignment in Google Classroom from either a computer or their mobile device.

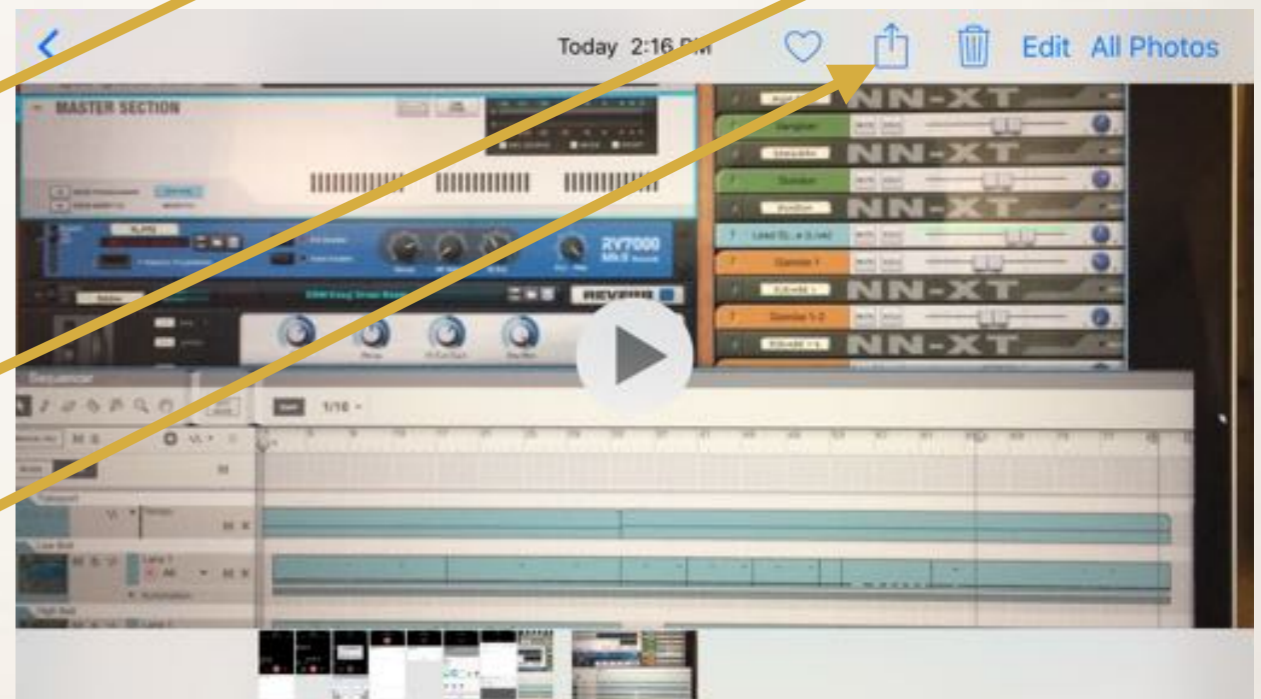

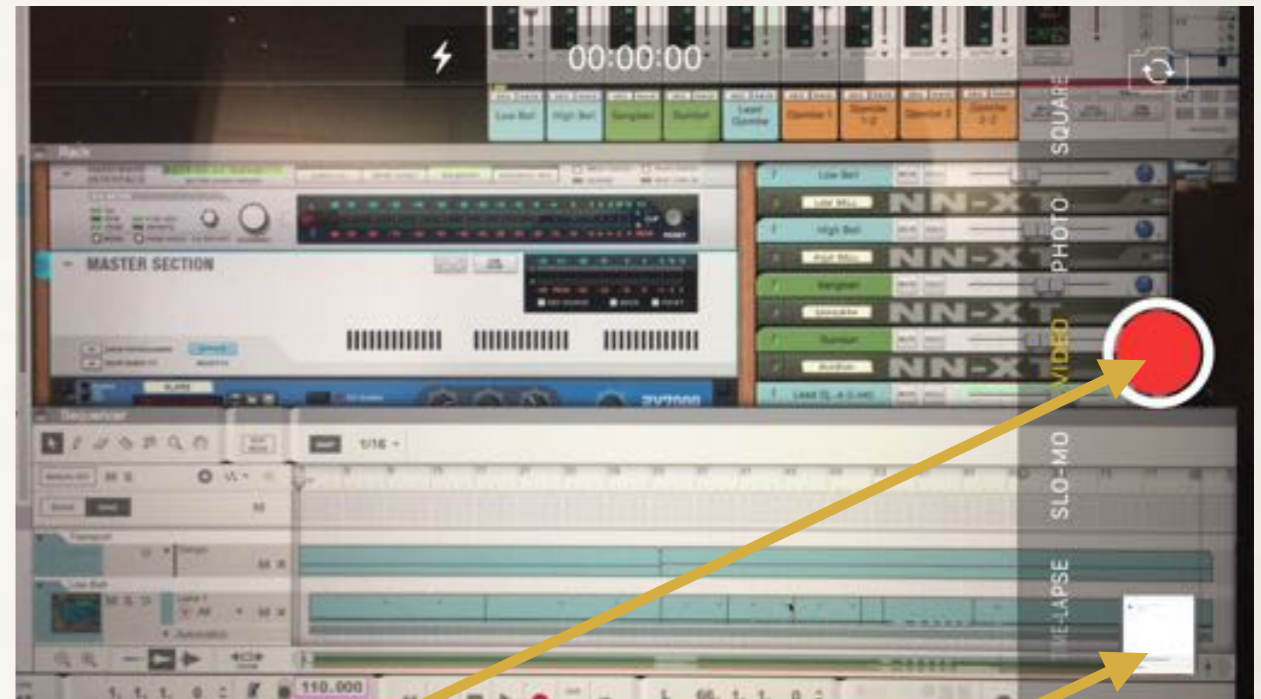

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

---

How to create video recordings with Apple's Camera app (iOS) and submit recordings to Google Classroom via Google Drive:

- ❖ Open the *Camera* app. Tap the red *record* button to record.
- ❖ Tap the *preview* icon to view options for your recording.
- ❖ Tap the *share* icon.

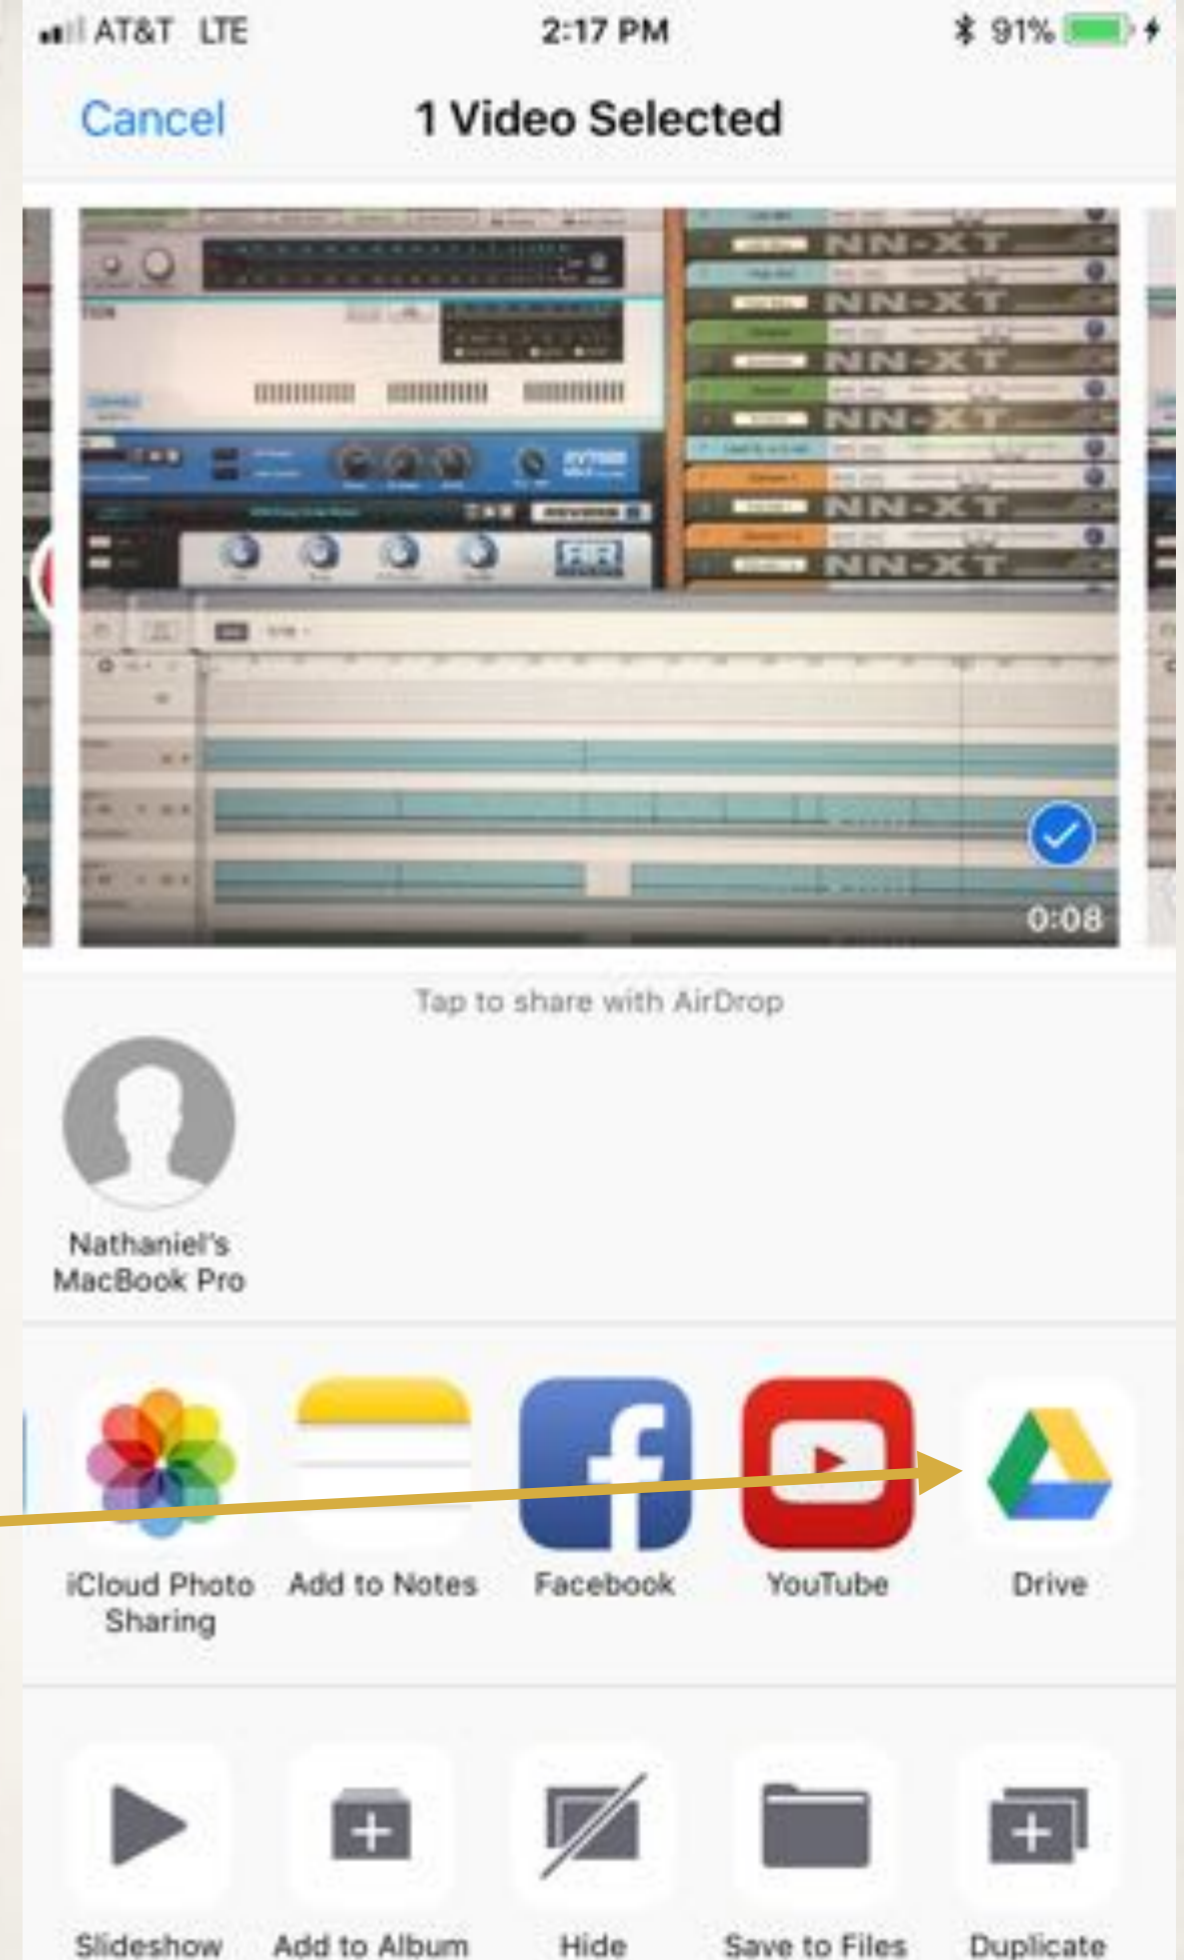

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

How to create video recordings with Apple's Camera app (iOS) and submit recordings to Google Classroom via Google Drive:

❖ Tap the *Drive* icon.

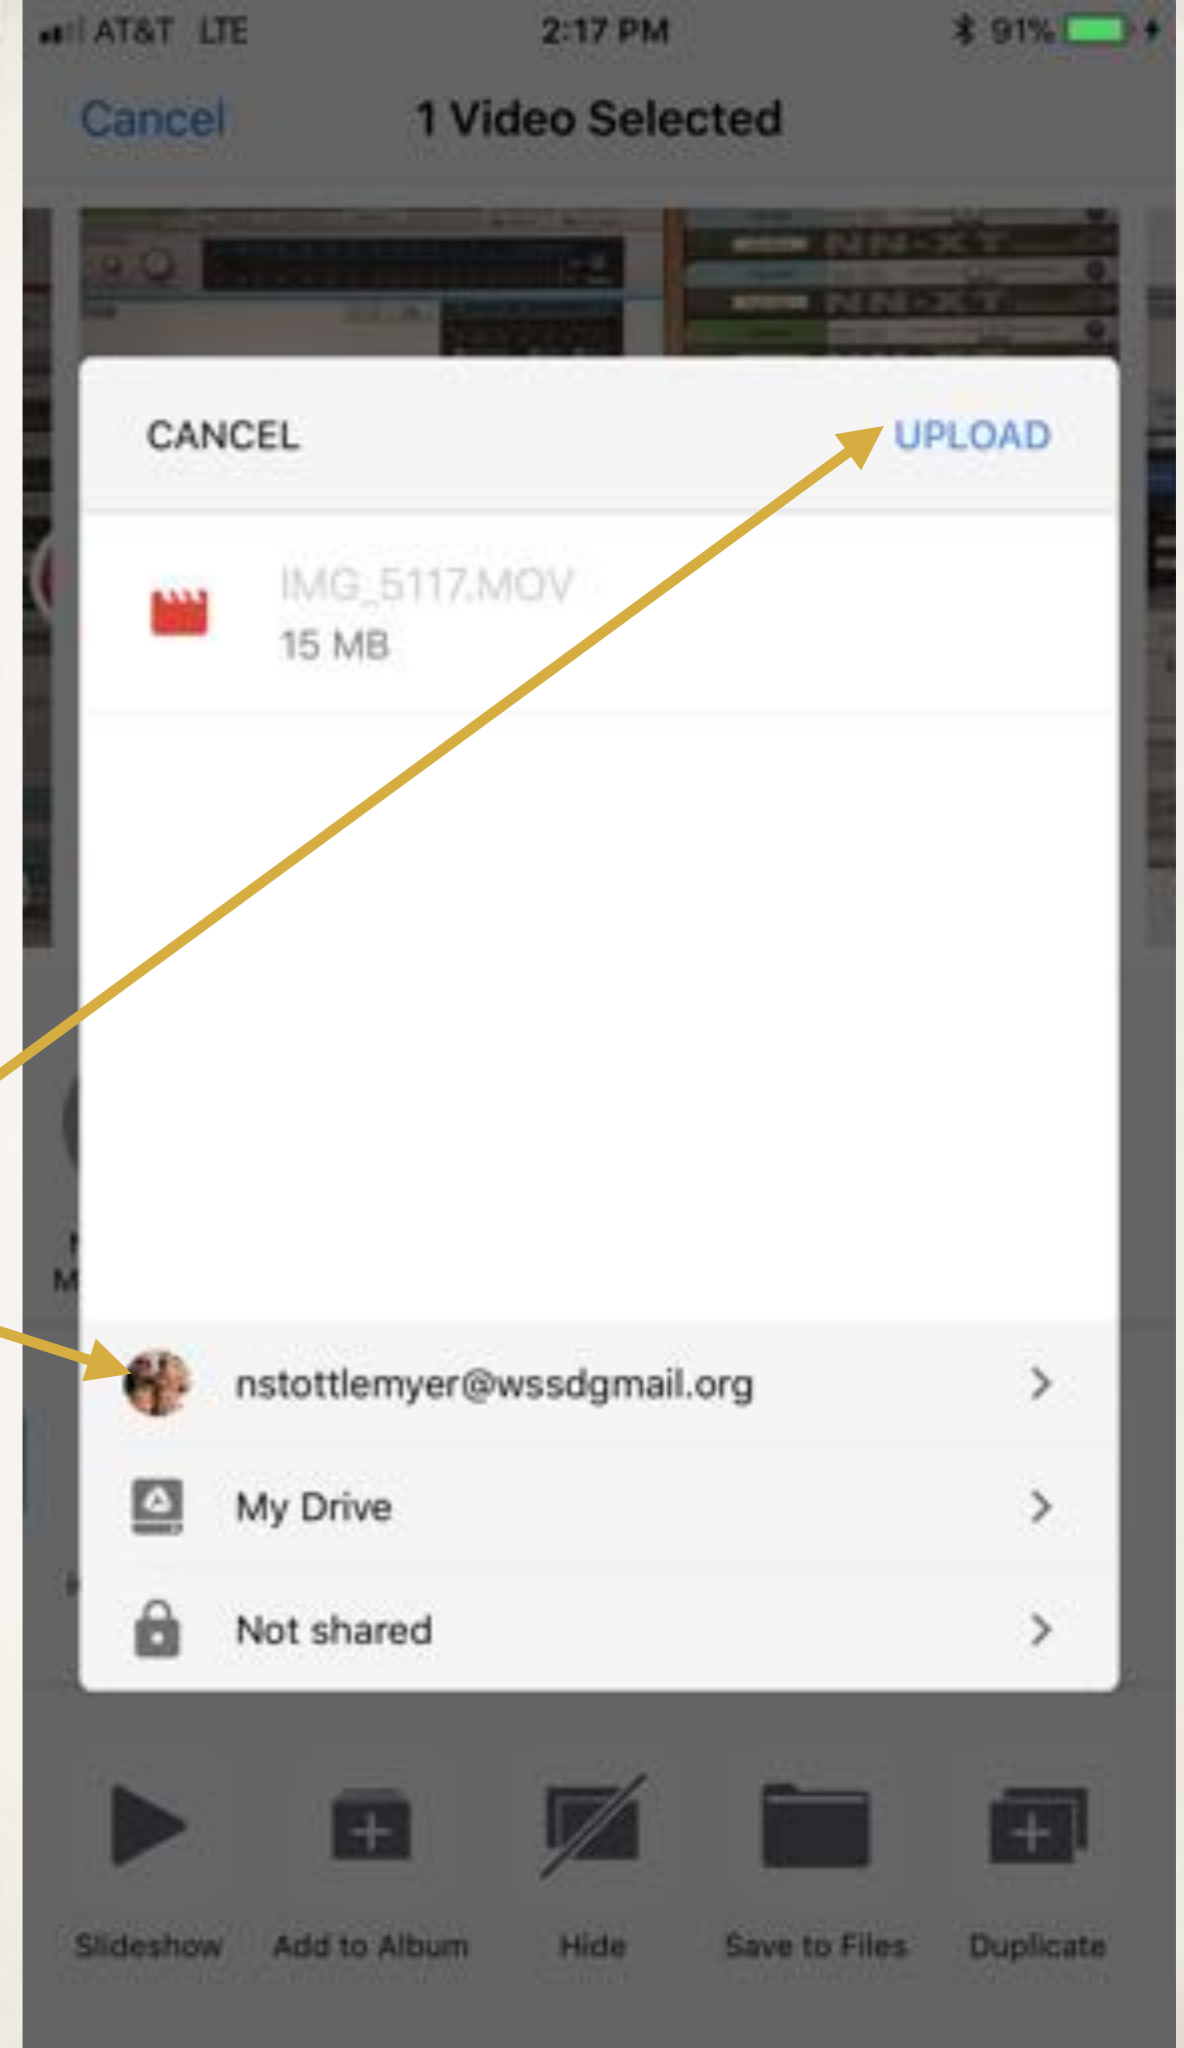

Objective: Teachers will use Google Classroom to facilitate instruction with music resources.

---

How to create video recordings with Apple's Camera app (iOS) and submit recordings to Google Classroom via Google Drive:

- ❖ Confirm the correct account is selected and tap *Upload*.
- ❖ The student can now "ADD" the recording to the assignment in Google Classroom from either a computer or their mobile device.

# Exit Ticket

---

Create your own class in Google Classroom. Copy and paste the class code from your new class to the Exit Ticket in the WSSD Music Demo Class.
